## Teen Center's Haunted Garage This Weekend

The Niles Teen Center will host the Sixth Annual Haunted Garage at the Tam Golf Course this weekend.

The event is the first center-sponsored bash since new Youth Coordinator Mark Williams took over in September.

"We'll have a paintball room, a jail with an electric chair, a graveyard with coffins, and grave stones," said Williams.

Williams recruited nearly 20 teens to haunt the Howard Street Inn basement. He expects more participation from Notre Dame High School students.

The garage will feature five rooms and many hallways to zig zag through. The Niles Park Dist. donated portable walls normally used for ice shows to build the garage.

Although the center will be designed to frighten, earlier in the night teens will keep things mild as the younger crowd wanders through.

Teen guides will take groups through a few at a time to witness the mayhem, and will stay in touch with each other through the use of walkie-talkies borrowed from the Niles Fitness Center, said Williams.

Teens are donating their own costumes and makeup for the event.

The garage will be open Friday and Saturday Oct. 26-27 from 7 to 10 p.m. and Sunday, Oct. 28 from 6 to 9 p.m. \$3 admission. For more information call 847-375-8949.
