

Public Meeting

Pace and the Village of Niles Free Bus Modernization Project

Pace and the Village of Niles would like your input on how to best coordinate Niles Free Bus routes with the Pace Arterial Rapid Transit (ART) bus route planned for Milwaukee Avenue in 2016. Please join us for a public meeting where we will share information collected about the Niles Free Bus system and gather ideas from residents and businesses about how the service might better meet their needs.

This is the first of two public meetings on this project; the second meeting will take place later this spring.

Also, a survey asking for input on how residents currently utilize the Niles Free Bus system and public transit is posted on the Village website, www.vniles.com. Please take a couple of minutes to provide your valuable input.

**Wednesday, March 19th
6pm-8pm**
