Teens Dance the Night Away At Valentines Day Dance

By Tracy Yoshida Gruen | STAFF WRITER

More than 70 teens attended the Niles Teen Center's Valentine's Day Dance recently held at the Niles Fitness Center. About half of the students were from Culver School and other local students were from Gemini Jr. High School, Emerson Middle School, Attea Middle School in Glenview, Nelson Elementary School, Apollo Elementary, Niles West High School, Maine East High School and Notre Dame High School.

"I believe all of the teens in attendance had a great time and are looking forward to the next Teen Center dance," said Mark Williams, Niles Youth Coordinator.

Concessions were available for teens to purchase and the Niles Senior Center generously donated a large heart-shaped cake that was served to the teens at the end of the special occasion. Students also came from farther distances, such as Resurrection High School, Immaculate Conception and St. Tars. Williams said that everyone was on their best behavior and they all seemed to enjoy the event.
