Operation Santa 2020

Niles, IL – Chief Luis C. Tigera and The Niles Police Department are pleased to announce that we will be hosting Operation Santa again this year. Operation Santa, an initiative created in the 1980s by NPD personnel, was established to spread holiday cheer by delivering toys to kids in Niles. The NPD has partnered with Walmart, The Niles Fire Department, Niles Family Services, and Niles Public Works to make this holiday season even more special for designated Niles families.

Operation Santa will take place on Monday, December 21st. This event was organized as a continued effort to give back to our community and engage with some of our residents in an especially difficult time for many.

All participating departments and individuals will continue to follow state guidelines by practicing social distancing, wearing masks, and further precautions to protect everyone involved in the event.

Despite the changes in our holiday season traditions, the NPD is proud to be able to participate again in Operation Santa.
