Case Number: 2021-11627

Aggravated Battery - King Spa

Niles, IL – On 3/29/2021 at 11:11pm, The Niles Police Department responded to a report of a Battery at King Spa, 809 Civic Center Dr. The investigation revealed that an employee of King Spa approached a male and female regarding payment for services after they left the building without paying. When the employee approached the male subject, he was pushed to the ground. The male and female suspects fled the scene in a white sedan. The victim was transported to an area hospital for treatment.

Suspect #1 is described as a Male Black by the witness to the incident.

Suspect #2 is described as a Female Black by the witness to the incident.

Potential charges from this incident include one count of Aggravated Battery and one count of Theft of Services.

The investigation is still active and ongoing.

All persons are presumed innocent until proven guilty in a court of law.
