2020 TRAFFIC SAFETY CHALLENGE

Niles, IL – Chief Luis C. Tigera and The Niles Police Department are pleased to announce that The Niles Police Department tied for 1st place for the 2020 Illinois Traffic Safety Challenge in the Municipal 51-65 category. We are also pleased to announce our specialty award for Bike/Pedestrian Safety. These awards are issued by the Illinois Association of Chiefs of Police (ILACP).

The Illinois Traffic Safety Challenge is a friendly competition between similar size and type of law enforcement agencies. The program targets three major traffic safety priorities: occupant protection, speeding, and impaired driving. It recognizes agencies for the approach and effectiveness of their overall highway safety programs.

While 2020 proved to be a challenging year, we are proud that we modified our efforts in traffic safety to continue making a difference in the community we serve. Thank you Illinois Association of Chiefs of Police Traffic Committee for your recognition in the efforts of The Niles Police Department.
