2022 Walk like MADD

Niles, IL – Mothers Against Drunk Driving (MADD) is a nonprofit organization that spreads awareness on the dangers of driving intoxicated and seeks to end the 100% preventable crimes of drunk driving. Each year, M.A.A.D. holds a walk fundraiser to help the cause.

The Niles Police Department lost three members of the department in the summer of 2020 to a suspected intoxicated driver. This year, in honor of our fallen members, the Niles Police Department will be participating in the in person regional “Walk Like MADD” event on August 27, 2022 at 9:00am at the WinTrust Field in Schaumburg, IL. We will be walking to honor Sergeant Joseph Lazo, Retired Detective Joseph Paglia, and Community Service Officer Michael White.

If you would like to register to participate in the regional Walk like MADD event or directly donate on our MADD page please visit the following link: <https://www.walklikemadd.org/team/19322>
