NPD Thanks Cassidy Tire & Service

Niles, IL – On August 25, 2022, Chief of Police Luis C. Tigera met with Cassidy Tire & Service owner Melanie Ahern and Niles manager Kevin Karder to thank them for hosting our catalytic converter theft deterrent event on August 20, 2022. Chief Tigera presented Melanie and Kevin with a certificate of appreciation, as well as the Chief's official challenge coins. The catalytic converter theft deterrent event would not have been possible without our partnership with Cassidy Tire & Service.

The NPD is committed to maintaining relationships with businesses in our community, and we look forward to partnering with Cassidy Tire & Service in the future.
