Niles Police Department to conduct a Roadside Safety Check this weekend

Niles, IL – The Niles Police Department will conduct a roadside safety check in Niles on Friday, August 9th on the area of Milwaukee between Oakton and Touhy Avenue

During roadside safety checks, police officers slow down traffic, stop cars at regular intervals and watch for drivers who show signs of alcohol impairment and other violations.

April is distracted driving month. Drivers are urged to use hands free technology when operating a vehicle. They are also reminded that they cannot use any electronic device when in a school zone.

This roadside safety check is paid for by a grant from the Illinois Department of Transportation.

“This program is conducted regularly throughout the year to ensure drivers are operating their vehicles safely,” said Bureau Chief Robert Tornabene. “This is part of an ongoing strategy to keep the village streets safe for Niles’s residents and commuters.”
